

ALTERNA-TEASE

THE NEW ENGLAND NEO-BURLESQUE FESTIVAL

Alterna-TEASE is built on a foundation of local support and thrives thanks to the backing of our burlesque community and that of the greater Boston area and Global communities! The Alterna-TEASE festival provides access to the burlesque world at large, which is a vibrant, stylish, and exciting demographic for businesses. Alterna-TEASE offers high-visibility for your products, services, and brands. We provide ample opportunities for businesses to participate in Alterna-TEASE and become a favorite of the local and international burlesque-scene participants. We accept donations of cash, advertising space, and in-kind goods as well as labor and services. Please contact our sponsorship team to learn more about working with us to make Alterna-TEASE a brilliant success!
